Offer for an option for the DG-1001T with electric motor (TE)

Option Terms

After receipt of the option fee, your name will be registered in the option-list. As soon as the presentation of the prototype of the DG-1001T with electric motor with possibility for a test flight has taken place, you will get the opportunity to change the option into an order. All options that are changed into orders within 4 weeks after presentation of the prototype will be registered in our order list in succession of the options. Options that are transformed after this period will be put on the order list in succession of receipt of the order. If you decide to withdraw the option, the option fee will be refunded without reduction.

I wish to make use of the possibility to place an option for the DG-1001T with electric motor.

The **option fee** of 3.000 €

is paid by cheque, which you will find enclosed

was transferred to your account:

Volksbank Bruchsal-Bretten eG
